KILLED ON "L" BY THIRD-RAIL SHOCK

Trying to Climb Over Gate at Rear, J. S. Godfrey Is Flung to Track and Died on Station Platform.

The crowded condition of the trains on the Third Avenue "L" line was responsible for the death to-day of J. S. Godfrey, eighteen years of age, a driver for a department store. Godfrey was shocked by the third rail and died on shocked by the third rail and died on one fluctuation with the bears of the bears of the bears of the crowder of the bears of the condition of the trains body free of the electric current and lifted it to the platform.

At that time the young man showed signs of life. Miss Ellen Decker, of No. 2981 Driggs avenue, Bedford Park; and Miss Jennie White, of No. 214 East the platform in spite of the heroic of-forts of two cool-headed young women experienced in rendering first aid to the

Godfrey's home was in Bedford Park, ing him to consciousne go to the last car of the seven-car train.

By the time the train reached the Ninth street station it was jammed ductor Sebard were allowed by the powith passengers. Godfrey tried in vain to get off by way of the front platform they had given their names. of the car he was in. Then he made his way to the rear platform, intending to climb over the gate and step off at the platforms of express trains. There are

station after the train started.

The back platform was crowded with men and boys and Godfrey was delayed in getting on the gate. Just as he was poised on the top ready to climb over the train started with a jerk. Flung from Car to Track.

Godfrey was thrown off, alighting on the track across the rails and touching the third rail. He was knocked senseless by the fall and made no outery. Those on the rear platform, from which he fell, gave the signal to stop Mary Leander and Miss Katherine Mo agent, and some of the passengers got a freight train on the Pittsburg, Cleve down on the tracks, pulled Godfrey's land, Cincinnati and St. Louis division of the Pennsylvania Rallroad ran inte

CRANE SCORES **AUTOMOBILISTS**

Most Careless People in the City," Says Magistrate in Holding Dr. Louis F. Bishop for Tried Thousands of New York men know H. D. Christopher, at the St. Denis Hotel. He says: "I am happy to write you that Volta has cured me of rheumatism, from which I suffered intensely. It is great stuff. I was your work or impled but now feel like for Trial.

most careless people in th city," is the way Magistrate Crane in Torkville Court to-day characterized automobilists in a lecture delivered while holding Dr. Louis F. Bishop, of No. 54 West Fifty-fifth street, in \$200 charge of speeding his automobile on Fifth avenue. Dr. Bishop pleaded that Brooklyn; also at all the leading de-he was rushing his motor car to the partment stores of New York and bedside of a dying patient, although Brooklyn, also at all the leading dependence of the arrest variation at the time of the arrest yesterday afternoon, when Policeman Sherry arrested the doctor after a half-mile chase.

"You automobilists think you can run over every one," declared the Magistrate, in spite of Dr. Bishop's protests. "I never had an automobilist before me yet, even if his fifty horse-power went like an express train, who didn't swear he was snailing along at four miles an he was snaling along at four miles as, hour. What chance has the pedestrian dedging across the street? I myself have often had to run for safety or be run over. I lost a hat that way. You are the most careless people in the city waen you have a little money and an auto and thank you can do as you blesse." Although the doctor asked to be fined the Magistrate held him for trial.

'NOT ASKED TO RESIGN"---CRAIN Here are a few opening prices: Axminsters . 90

"No Reason Why Such Request Should Be Made, Either Personal or Otherwise," Says Tenement Commissioner.

When T. C. T. Crain, Tenement-House Commissioner, was asked to-day if it was true that he had been asked by Mayor McClellan to resign from office and that he had refused to resign and would fight an attempt at removal, he

"I have not been asked to resign? I have received absolutely no intimation that any such request would be made of me and there is no reason why such a request should be made, either personal or otherwise. As far as I know Mayor McClellan does not want me to resign; nor is there any lack of har-mony between my department and any of the other departments. There is no more reason why I should resign my office than there is that Mayor McClelian should resign his."

"Have you any idea how this report became current?" the Commissioner "I haven't the slightest. I do not be-lieve there is one basis of fact to the

lieve there is one basis of fact to the report.

In spite of this denial, men high in the councils of Tammany Hall have been discussing with apparent assurance the immediate removal of Mr. Crain, and the general cominon is that hasyor McClellan will proceed at once wish the steps he has been planning for several weeks to force Mr. Crain to step down and out. These knowing Tammany men are relating how Mr. Crain told the Mayor how his department has made a better showing under him than under any prodecessor.

It is predicted that a sensational fight will ensue. Mr. Crain has a host of influential friends in the city though his popularity in Tammany Hall has been on the wane for the past six months.

The basis of the charges against the teen on the wane for the past six months.

The basis of the charges against the Commissioner date to the Alien street fire on March 14, in which nineteen lives were lost.

Mayor McCiellan was asked to-day if he had demanded the resignation of Tenement-House Commissioner Craix.

"I have not seen the Commissioner in forthism, he said. I have not

My Offer to Kidney Sufferers

I will give you a full dollar's worth of my remedy free to try with-out cost or deposit or promise to pay.

I could not make this offer—a full dollar's worth free—if mine were an ordinary kidney emedy. It is not.. It treats not the kidneys hemselves, but the nerves that control them, he cause of kidney trouble lies ALWAYS in nes cause of stanley from the standard mose nerves. The only way to cure kidney notice is by strengthening and vitalizing and, the standard most of the stan ufferer who makes this trial will be helped. When I say "herves." Ide not mean the rdinary flavores of feeling, thought, acton. I sean the automate nerves, which night and say, unraided and unseen, control and actually the search of the master nerves. The kidneys the master nerves. The kidneys the master nerves. The kidneys will be search to master nerves. The kidneys will cannot sway them. Yet then they gradstrong you are well; when hey are not, you weaken and die.

I have written a book on the Kidneys which will be sent when you wite. This cook explains fully and clearly how these him reader "inside" nerves control not only legans.

OLD SORES OFFENSIVE Nothing is more offensive than an old sore DANGEROUS that refuses to heal. Patiently, day after day, it is treated and nursed, every salve, powder, etc., that is heard of is tried, but does no good, until

the very sight of it grows offensive to the sufferer and he becomes disgusted and morbid. They are not only offensive, but dangerous, because

gusted and morbid. They are not only offensive, but dangerous, because the same germ that produces cancerous ulcers is back of every old sore. The cause is in the blood and as long as it remains the sore will be there and continue to grow worse and more destructive. The fact that thousands of old sores have been cut out It took only a short while for the medicine to enand even the bones scraped, and yet they returned, is indisputable evidence that the blood is diseased and responsible for the sore or ulcer. Valuable time is lost in diseased and responsible for the sore or ulcer. Valuable time is lost in

experimenting with external treatments, such as salves, powders, washes, etc., because the germs and poisons in the blood must be removed before etc., because the germs and poisons in the blood must be removed before a cure can be effected. S. S. S. cleanses and purifies the circulation so that it carries rich, new blood to the parts and the sore or ulcer heals permanently. S. S. S. not only removes the germs and poisons, but strengthens the blood and builds up the entire system by stimulating the organs, increasing the appetite and giving energy to the weak, wasted constitution. It is an exhibitation increasing the appetite and giving energy to the weak, wasted constitution. It is an exhilarating tonic, aids the digestion and puts every part of the body in good healthy

condition. Book on the blood, with any medical advice wished, without charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.
